

2020 – 2021 Kickoff

Welcome to the start of the 2020-21 school year. We are excited to see our students virtually Wednesday morning and start the process of online learning the first three weeks and beyond. The information below should be helpful as we approach the first day of school.

First day of school schedule:

Wednesday, August 12

2nd Period	8:50 - 9:45
1st Period	10:00 - 10:30
3rd Period	10:45 - 11:15
4th Period	11:30 - 12:00
LUNCH	12:00 - 2:00
5th Period	2:00 - 2:30
6th Period	2:45 - 3:15
7th Period	3:30 - 4:00

What to expect the first day of school...

- 1) 2nd period teachers will be emailing parents Zoom information on Tuesday. The subject line will read **2nd period... first day check in**.
Note: We are beginning with 2nd Period on Wednesday.
- 2) Students will Zoom live with their 2nd period teachers and receive first day information. At the end of second period students will be asked to follow the schedule for the day and log on to each teacher's Canvas page at the appropriate time. The link below can show you how to use zoom on a Chromebook.

- 3) Attendance is extremely important. Students are required to check in every day for each class period. Students can participate via live zooms or they can participate asynchronously at a time that fits your families schedule. They can do a combination of the two types of remote learning as well. *Note: If a student does not log in to their 2nd Period zoom meeting on Wednesday, a staff member from Knox will be calling to check on the student.*

- 4) All teachers will be emailing parents the zoom information for each class sometime on Tuesday. Zoom meeting information will also be on the teachers Canvas page
- 5) It is extremely important that students check in every period on Wednesday. Students will meet their teachers, learn Zoom expectations, and find out how the teacher plans to help students learn remotely. Videos will be available for those not able to join the live sessions, but they may not be as detailed.
- 6) Canvas is what our district uses to coordinate remote learning. The links below can be helpful.
