Advanced Math for 7th graders

7th graders are **required** by law to take Pre-Algebra prior to taking Algebra I. The Math placement test does not allow a student to skip Pre-Algebra. The only way to gain credit for the course is to take a Credit By Exam or by taking a summer school course that begins in April and carries through the summer. Details are on the Conroe ISD website.

No changes will be accepted after the May 1st deadline!
