

Knox Junior High School

**Student Handbook Supplement
2022-2023**

Mission Statement

Knox Junior High is committed to creating and maintaining an environment whereby each student is given the opportunity and encouragement to grow intellectually, physically, emotionally and socially in order to assume a responsible role in today's ever-changing world. Students, teachers, parents and the community will work collaboratively so that all students will achieve a quality education.

Address/Phone Number Change

When the address or telephone number of a student has been changed, it is the student's/ parent's responsibility to notify the REGISTRAR regarding all such changes. This notification of change is critical to the maintenance of a safe and orderly school environment. If an emergency arises during school hours, it is critical that the school has the correct information about parent telephone numbers for notification. In order to change an address, the parent must bring in a new Proof of Residency. Documents needed in order to do this is a Lease/Contract on home or a utility bill (electric, gas, or water). If you need any other changes (telephone, email, etc.) please come in to see the Registrar or email the information to her and she will change it in our system.

Attendance

Attendance is critical to all students and their success. Please refer to all attendance guidelines in the CISD Secondary Handbook. If the student has attendance make up hours that have not been made up, he/she cannot participate in extracurricular activities until hours are met. Students/Parents will be filled on for truancy.

Arriving on Campus in the Morning

For their safety, we prefer students not be dropped off at school prior to 8:00 unless they have an appointment or a scheduled extracurricular activity where they will be supervised. Teachers do not begin their morning duty until 8:10 a.m.

Once students arrive on campus, whether from the bus or private transportation, they may not leave (even to cross the street) under penalty of discipline. All students arriving before the first bell must report directly to the cafeteria area in the back of the school. Seventh grade car riders will drop off and pick up in the front of the school. Eighth grade car riders will pick up and drop off in the rear parking lot.

Backpacks

Backpacks/string bags/duffel bags may be used to carry books to and from school.

Relationships

Students should conduct themselves in a dignified manner at all times. This is a place of business. It is considered inappropriate for students to have their hands on one another or to kiss in public.

Cheating/Violation of Testing Procedures

Any type of unauthorized communication or sharing of information or materials with others (verbal, nonverbal, or written) is considered cheating. A student should follow all of the individual teachers' testing procedures. All students involved in either type of incident will receive consequences. (See CISD Secondary Handbook for more information.) To maintain test confidentiality, common assessments and/or district benchmark exams are not permitted to be sent home for parent/student review.

Clinic Services

In the event of illness or injury occurring during the school day the school nurse provides clinic services. A student may go to the clinic only after obtaining a permit from a teacher or administrator. Students who think that they need to go home due to illness must first report to the clinic with a pass, prior to parent notification. Students who feel ill and leave school without going through the clinic and attendance office will be considered truant. It is important that the school be able to account for all students' whereabouts during the school day.

Clubs/Organizations

The junior high schools offer a variety of activities, clubs, and athletics. Not all events start at the beginning of the year; therefore, it is important that students listen to the announcements every day. Please be aware that students not meeting deadlines for enrollment may not be able to participate. Students desiring to organize a club must have the principal's approval. Once they receive approval, the students are encouraged to recruit an adult on campus to be their sponsor. Meetings will be held at the discretion of the adult sponsor. Parents interested in assisting are always welcome!

Counseling Center

The Counseling Center is available to parents and students needing assistance in academic, personal, or social situations. The following is some of the services offered by the counseling center:

- Academic counseling
- Short term crisis counseling
- Scheduling/facilitating parent/teacher conferences
- Referrals to appropriate school and/or community programs and agencies
- Small group presentations
- Parent information
- Student information

Students wishing to speak with a counselor should stop by the counseling center between class, before school, or after school to sign up. The counselor will then initiate a pass to arrange a conference in the case of an emergency, the student should obtain a pass from the teacher to go directly to the counseling center.

Parents wishing to speak with a counselor should call the school's main number (832.592.8400) and ask to speak to their child's counselor. The counselor will talk with you if they are available at that time. If they are not available, a message will be taken and the call will be returned as soon as possible. Information that a student shares in a counseling situation is considered confidential unless the student suggests harm to him/herself or to others.

DAEP

DAEP placement can be for 5, 10, or 15-days. DAEP is located at 701 N 3rd St, Conroe, TX 77301.

It is the consequence for serious or persistent misbehavior identified in the Student Code of Conduct. If a student is placed in DAEP, there is a strict dress code, and the student must ride CISD transportation. The student's assistant principal will make sure the student and parent are aware of all rules and regulations.

Deliveries to Students

Because of the interruption of the school schedule, the delivery of flowers, balloons, etc., is not permitted. There will be no food deliveries made to students on campus unless special administrative approval.

If a student forgets a lunch, class project, money for pictures, etc., deliveries can be made to the front office. All items are distributed during lunch. Class instruction will not be interrupted with notifications and/or deliveries.

Hallway Behavior

One Liners are phrases you will adhere to quickly remind everyone of schoolwide procedures.

Disciplinary Consequences

The following are the different disciplinary options the school has. A student will be assigned to one of the consequences for violations of the student code of conduct. The assistant principal must remain consistent in how they handle situations and violations. The assistant principals and principal will continually examine all consequences with infractions to determine consistency.

Please refer to the District Code of Conduct in the CISD Secondary School Handbook for more detailed information. Please pay close attention to the sections that mandate a consequence.

Lunch Detention (LD)

A student can be assigned lunch detention for minor infractions including tardies. Lunch detention is assigned by administrators.

If a student is assigned to lunch detention, the student will know in advance. The student will report directly to the ISS room for lunch detention. The student will remain in lunch detention to eat and to work for the student's entire lunch period. The student will be given a pass if they need to purchase a lunch.

After School Detention (ASD)

A student assigned to Before/After School Detention for disciplinary problems is expected to serve for each time assigned. ASD is held after school hours from 4:10 p.m. to 5 p.m. on Tuesdays and Thursdays. Parents need to be at school promptly at 5 p.m. to pick up their student.

ASDs are study periods. The student is required to stay busy with school assignments the entire time and will be dismissed for failure to comply with this requirement. A student who fails to attend an ASD, who leaves without permission, who is asked to leave for any reason, or who fails to work diligently on classroom assignments is subject to further disciplinary action. Students who fail to attend the ASD will be subject to further disciplinary action.

Saturday Detention (SD)

A student assigned to Saturday Detention for disciplinary problems will serve for each time assigned. Saturday Detention will be held on Saturday from 8 a.m. to 10 a.m. or 8 a.m. to 12 p.m. and the student is responsible for transportation arrangements. Student will be dropped off and picked up in the front of the building.

A student who fails to attend Saturday Detention, who leaves without permission, who is asked to leave for any reason, or who fails to work diligently on classroom assignments, is subject to further disciplinary action. If a student fails to attend Saturday Detention, the detention will be reassigned and one additional day will be added. After the second and any succeeding failure to serve Saturday Detention, the student will be subject to further disciplinary action.

In-School Suspension (ISS)

ISS (located on the KNOX campus) is provided as a disciplinary action for repeated offenses, dress code violations that cannot be resolved, or offenses of a serious nature. Students assigned to ISS must report to the ISS room immediately upon arriving on campus. A student assigned to ISS will attend from beginning of school day to the end. Students assigned to ISS report to ISS bringing school- books, lunches, and needed study materials. In this supervised class the student studies regular school- work, receives assistance from the teacher and takes all required tests. All school rules and regulations will be in effect for students during the ISS assignment. Failure to abide by ISS rules will result in further disciplinary consequences up to, and including DAEP.

The student will also be required to follow additional rules set by the ISS teacher. The following are basic rules to help a student get started:

1. Students must bring all materials and supplies necessary for the day to ISS prior to the first tardy bell.
2. Students are not permitted to participate in any school/extra-curricular activities while assigned to ISS.
3. Students are not permitted to talk without permission.
4. Restroom breaks are provided for the group at the discretion of the ISS teacher.
5. Students are required to be on task throughout the day working on school related assignments.
6. All assignments given through the ISS teacher must be returned to the ISS teacher upon their completion.

7. Additionally, students are expected to follow and comply with all teacher requests and any/all school policies/procedures while assigned to ISS.
8. Students are not allowed to participate in any extracurricular activity until they have served all days in ISS.

Regular classroom teachers make ISS assignments for the duration of a student's stay in ISS. A student who fails to complete a full day in ISS who is absent on the assigned day, who leaves without permission, who is asked to leave for any reason, or who fails to work diligently on classroom assignments is subject to further disciplinary action. For example, leaving ISS for a physician's appointment will result in additional ISS assignment. ISS is staffed with a staff member who is able to help students with their assignments. Regular classroom teachers may also visit ISS.

Assistant Principals will work closely with the counselors and ISS teachers to evaluate the student's progress.

Discipline Guidelines

Teaching good citizenship is a primary goal of our school. All students should respect other's property and rights, practice honesty, and show respect to Knox students, staff, and guests. The academic and extra-curricular benefits and privileges received by students are dependent upon the good behavior of each student. Behavior that threatens the welfare and morale of the school will be referred to the Assistant Principal. Students should also realize that teachers have the authority and the responsibility to correct inappropriate behavior when correction is necessary. Every effort will be made to help the student in overcoming his/her problem.

Assistant Principals will work hard to help students control their behavior as well as develop good decision-making skills. The goal of a referral to the office is to correct inappropriate behavior as well as teach appropriate behavior and problem-solving skills. In order for the assistant principals to accomplish their job, the support of the parent in the school's decisions are vital.

The school tries to involve the student in some decisions regarding discipline. The following procedures may be used separately or collectively to modify student behavior in correction of problems. Consequences are based on the frequency and severity of the offense with regard to the health, safety, and general well-being of all Knox Junior High School students and staff. The following information is provided as a reference or guide for both students and teachers. The general or most frequent offenses are listed. Not all-possible offenses are listed.

All discipline referrals that a student has received will be used in determining the consequences for a new referral being handled. Consequences will be elevated for students that have been referred to the Assistant Principal's office for previous incidents.

Please note that general misconduct violations are not listed in the guidelines. There are numerous factors that must be examined in each of those situations to determine the consequence. Therefore, the Assistant Principal will make the decision based on the information provided and the appropriate consequence based on previous information of students committing the same type of offense.

Students who do not clear their library record will have schedules held the following year. During class research, related books will be placed on "hold" until the assignment is completed so that all students have access to all pertinent materials. Reference books and items on "hold" are subject to overnight checkout and must be returned to the library by 8 am. Details about overnight checkout are available at the circulation desk. Lunch/Cafeteria Procedures

Comprehensive food services including a cafeteria and snack bar are provided. Menus are published regularly. Information is provided at the beginning of the school year regarding lunch prices. Specific cafeteria procedures will be covered the first few days of school, but a few to remember are as follows:

1. Lunches are assigned based on a student's 4th period class. Students are asked to proceed to the cafeteria in an orderly manner without running.
2. Seats are not assigned unless there is a specific need for a student to sit in a specific location.

10. Anyone desiring to have lunch with a student must first have permission from the student's parent, but also must have permission from the administration.

Make-Up Work for Absences

(Students will be permitted one day for make-up work for each day of an excused absence. Teachers may extend this time limit at their discretion.)

Make-up work is the responsibility of the student. It is not the teacher's job to track down students to administer make-up tests and collect homework.

Students who miss class for an approved school activity are to notify the teacher in advance concerning the possibility of completing the tests/assignments before the class is missed. If an assignment is missed the day of an activity, that assignment is due the following day on the student's return to class.

Students must realize the importance of establishing credibility with their teachers

Parent support is an integral part of a student's total educational experience. We encourage parents to become active participants by visiting our school, volunteering time whenever possible, and by attending parent meetings and student activities.

Parent Conferences

Parents are encouraged to contact the school to arrange for a parent conference. Conferences can be scheduled before or after school, during team planning periods, or during a teacher's conference period. If the administrator, counselor, or teacher is unavailable, the parent can leave their name and number, and someone will return the call. Our preference is that we are given at least 24 hours in order to be adequately prepared for your conference. Counselors and administrators will also assist in conferences with teachers as facilitators and as extended resources if requested. Parents should report to the main office of the school to check in with identification.

Parents Visiting Classrooms

Parents are more than welcome to arrange a time in advance (at least 24 hours) to visit some or all of their student's classrooms. Administrative approval is required, and the time of visitation will be scheduled with the teachers. All parents must check in through the front office. The parent must be a spectator only and escorted by an administrator and may not engage any student or teacher during the observation. All information about any student is confidential and should remain confidential.

Parent Access

All parents are strongly encouraged to sign up for an account to access information about their student. All parents need to go to www.conroeisd.net to sign up for this account.

This is an outstanding way for all parents to be up to date on report card grades, attendance, discipline, and test scores.

Pets

Pets of any kind may not be brought to Knox Junior High School.
