Step IV. [] Scheduling: Every effort will be made to honor student requests, however, please be advised that the final student schedule may not be an exact match to expressed interests. If a student needs Reading and/or Math enrichment, we are required to provide them with support classes. The support class will take the place of an elective. Course availability is also based on class sizes and availability.

Special Education: If your child is receiving Special Education services, this information will be considered before finalizing their schedule.

Step V. [] Commitment: My child and I have reviewed and discussed his/her elective options. **For year long courses, I understand that I am making the commitment to that course for the entire school year. This includes Honors Courses, Athletics, Cross Country, P.E., Private P.E., Band, Choir and Orchestra. These courses cannot be dropped during the school year. The last day for any course changes will be May 1st.**

Step VI. [] Sign and Return to your child's Math teacher by February 7th.

Student Signature

Parent/Guardian Signature

TV Broadcasting and Yearbook: Students will initially select other elective choices. Students must submit an application and/or interview. Details to follow.

The window for completing course selections will be from January 15- February 7. Any changes made after February 7th will need to be emailed to your counselor no later than **May 1st.**

****Advanced Math for 7th graders**

7th graders are **required** by law to take Pre-Algebra prior to taking Algebra I. The only way to earn credit for PreAlgebra is to take a Credit By Exam test or by taking an accelerated math summer course that begins in April and carries through the summer. Details are on the Conroe ISD website.

****CISD Academic Guide and Course Catalog:** please visit the district website for the most recent edition.

No changes will be accepted after the May 1st deadline!
